Jeffrey Golden, of full age, being duly sworn, hereby certifies as follows:

1. I am a plaintiff in the above-captioned matter, a citizen of the State of New Jersey, and a director and acting president of Fathers' and Children's Equality, Inc. (FACE), and I make this certification in support of the application for an order to show cause.

2. Members of FACE, including myself, wanted to testify at the judicial appointment hearing of Marianne Espinosa. Had we been provided with sufficient notice, we would have OPPOSED the nomination.

3. I have certain personal knowledge of the judicial demeanor and apparent gender bias of Marianne Espinosa. I believe that, if I had the opportunity to personally testify before the Senate Judiciary Committee, and if members of the Committee had the opportunity to see me testify face-to-face and ask questions, if necessary, the members of the Committee would have had a better understanding of Ms. Espinosa and her personality flaws, and would have been able to vote on her appointment with a better understanding of her potential as a judge.
