MEMORANDUM FOR Private First Class David P. Davis, 191-G George Street, New Brunswick, New Jersey 08901

SUBJECT: Memorandum of Appreciation

1. It gives me great pleasure to prepare and sign this memorandum for you in recognition of the outstanding work you have done in updating the End of Course Comprehensive Review Test for 71L Administrative School.
2. Your intense work of updating the Review Test on the software (computer disk) for the soldiers to use in preparation of the End of Course Test is rated very high. You are further commended for voluntarily assuming the responsibility of updating this information, without neglecting your classroom time, but used the time that was otherwise free time. Particularly noteworthy, is that you reformed this software to allow the soldiers to return at a later date or time and start where they had stopped, rather than starting all over again as with the previous version.
3. Private First Class Davis your work and computer wizardry (knowledge) will always be held in high regards. I thank you for your hard work, both here at the school and for completing the task after returning home.
4. Thanks again for a job well done and the best of luck in your future endeavors.
